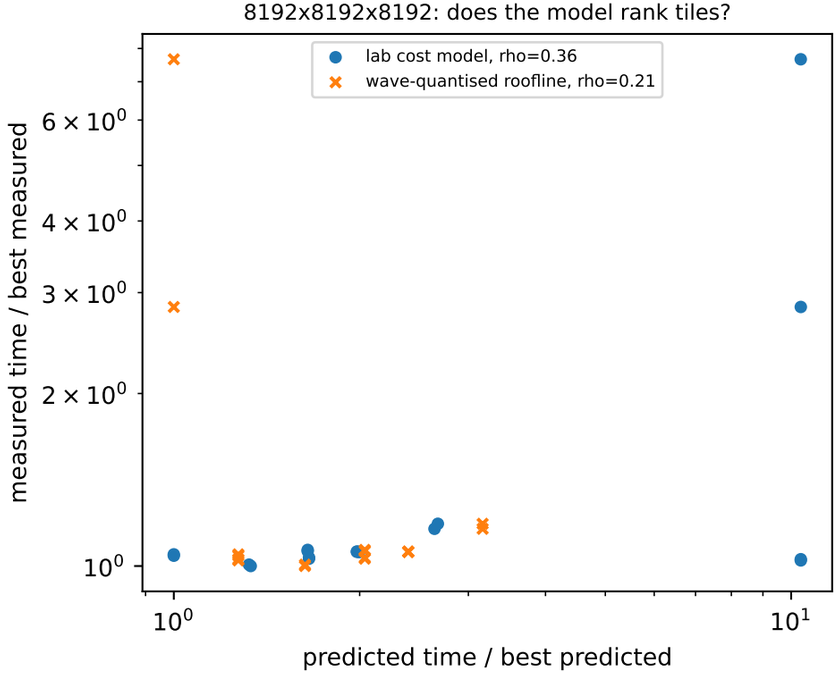
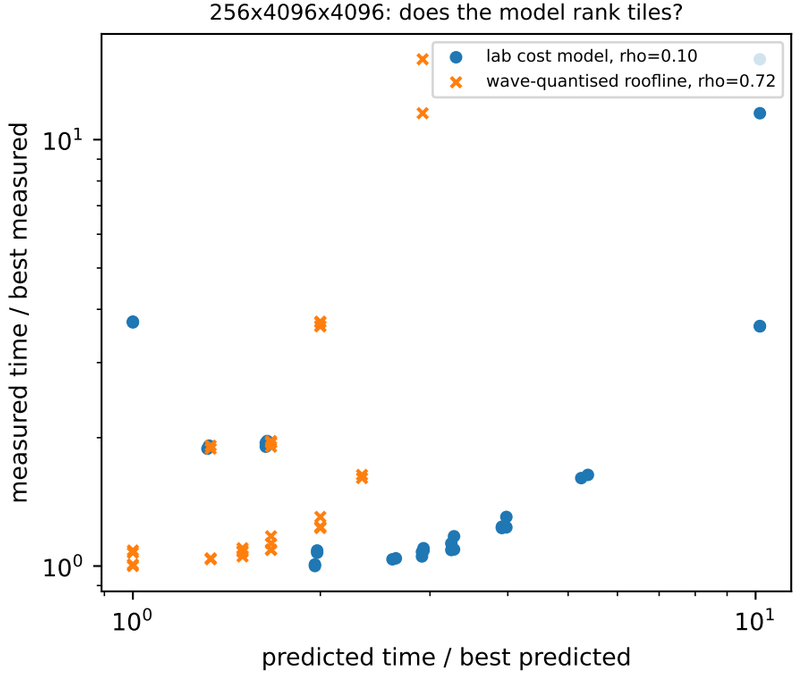
4096x4096x4096: does the model rank tiles?
lab cost model, rho=0.65
wave-quantised roofline, rho=0.26
measured time / best measured
predicted time / best predicted



8192x8192x8192: does the model rank tiles?
lab cost model, rho=0.36
wave-quantised roofline, rho=0.21
measured time / best measured
predicted time / best predicted



256x4096x4096: does the model rank tiles?
lab cost model, rho=0.10
wave-quantised roofline, rho=0.72
measured time / best measured
predicted time / best predicted
